

Deedee's Fundraising Ideas

Deedee is helping her school raise money for new playground equipment which costs £195.
Let's work out how she can raise the money.

Deedee's Cake Sale

If Deedee had a cake sale and sold each cake for 50p, how many cakes would Deedee need to sell to raise enough money for the playground equipment?

How many cakes would Deedee need to sell? =

Deedee's Used Book Sale

If Deedee had a used book sale and sold each book for £1, how many books would Deedee need to sell to raise enough money for the playground equipment?

How many books would Deedee need to sell? =

Can you think of any other fundraising ideas?
