Re: Your School Lottery Fortnightly Update Report- 08/06/2018

Dear Nina,

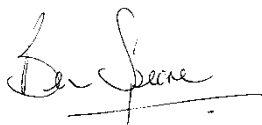

Please find enclosed your fortnightly update report. It details how your school lottery is performing.

Don't forget, the more supporters you have and the more entries they make, the faster your funds will grow. To help you increase your support, please find attached your tailored supporters' communications material which you can send out via e-mail to your school community; print and hand out at events or simply post on the notice board.

Remember, we also take new supporters outside of your direct school community, so why not spread the word about your school lottery further. The more people that join, the more funds you raise and the bigger the prizes!

Good luck with your lottery!

Yours sincerely,

Ben Speare
