

July 2020

Dear Parents/Carers,

Welcome to the Summer Holiday edition of Mosspsits Reading Newsletter, we hope this information supports and encourages you with reading over the holidays.

Reading Bug

Teachers have emailed out logging in details to all parents. If you have not received login details for Reading Bug, please get in touch with your child's teacher via dojos and they will be happy to help. Children have been set books to read within a book band. When the children return in September, new teachers will be assigning books for children to read. If you experience any difficulties with using Reading Bug please use this [link](#) for troubleshooting advice.

What happens if my child completes all the books set during the holidays?

Great! New class teachers will be able to celebrate successes of the children in September. We would encourage you to keep reading with your child and remind you of some of the great websites you can access at home.

Summer Reading Challenge

Silly Squad, the Summer Reading Challenge 2020 is now well underway. If you haven't joined in yet, it's still not too late. Children taking part in the Challenge will join the Silly Squad, an adventurous team of animals who love to have a laugh and get stuck in to all different kinds of funny books! For more information, go to <https://summerreadingchallenge.org.uk/>

We look forward to hearing all about your Summer reading when you return to school in September. Happy reading!

Mrs Griffiths
