

MyMaths Guide

1. Type in the following address <https://www.mymaths.co.uk/>
2. Click on login
3. In Username type: Mossbits
In Password type: triangle666
4. In 'Select Curriculum' make sure it says National Curriculum (Eng)
5. In Library, there is a choice of topics - Number, Measurement, Geometry and Statistics
6. In each topic there is a choice of lessons and activities for years 1 to 6.
Next to each lesson/activity is a particular icon:
A screen icon means a lesson that gives questions to answer during it
A toolkit icon means you can use the tool given to practise a particular skill
A horse icon means a game that can be played
A pencil on an angle icon means an investigation with some puzzles to complete
